Photo Release

PJAS is making an effort to promote the positive achievements of our participants. We seek your permission for PJAS to take photographs of your child in connection with the PJAS Regional and State competitions and your authorization for PJAS to copyright, use, and publish the same in print and/or electronically. PJAS will not identify your child by name in the photographs. I give PJAS permission to photograph my child under the above guidelines.

PJAS cannot guarantee that you will not be exposed to Coronavirus during your visit. The CDC advises that some people are more likely than others to become severely ill, and some people are at a higher risk of exposure to COVID-19. Guests should evaluate their own risk in determining whether to attend. People who show no symptoms can spread COVID-19 if they are infected, and any interaction with the general public poses an elevated risk of being exposed to COVID-19. By participating in all PJAS activities, you acknowledge and agree that you assume these inherent risks associated with attendance.
