

# The Pennsylvania Junior Academy of Science

State Director: Robert Helm

Region 3 Director: Karen M. Iobst

## Sponsor Information

Please submit all items by due dates listed on the Due Dates and Contact People document located on the Region 3 website at [www.pjasregion3.org](http://www.pjasregion3.org).

Students will register online. However, there is one additional form each student will need to submit. The Permission Form requires signatures and must be signed before it is sent in. If the form is submitted without having all information required, it will be returned to the sponsor. This form can be found on the Region 3 website. It must be printed and submitted with appropriate signatures. **Please note: All forms on the website will be updated yearly and sponsors will be notified when updates are completed.**

All presentations must be created using PowerPoint or another presentation program (using landscape orientation) and saved in PDF format. No part of the actual experiment can be shown to the judges during the presentation. Students will be disqualified if they show any part of the actual experiment.

Regional Meeting will be held at Northampton Community College on February 26, 2022. Seventh and eighth grade students present in the morning and ninth through twelfth grade students present in the afternoon session, unless otherwise noted. **ALL** sponsors are expected to help with judging, scoring, or processing incoming materials.
