CLEARANCE VERIFICATIONS

The PJAS organization needs verification from your districts that the adults you have chaperoning your students have the required clearances as per our website (Criminal History and Child Abuse Clearance). The FBI fingerprint clearance is waived this year. We are asking that you supply a list of names of the adults that will be accompanying you. Please verify that the people on that list are in fact on file with your school or have otherwise shown the current clearances to the person in charge. It is not necessary to send copies of the clearances to us. Please download a copy of the *Clearance Verification Letter* template and print it on school letterhead. You need to return it with the signature by May 6th. Send separately to: *Karen Iobst, PJAS Director of Region 3, 4123 Alice Lane, Whitehall, PA 18052.*
